## Captain's Corner

---

### July President's Message

The turnout has been great this season and we are looking to exceed prior year's numbers. Michelle Ragno, bar manager, reports that the club has been full of members and guests having a great time and enjoying themselves. Stop at the Club and visit our Awesome Bar Staff – CMMTC is open Wednesday through Sunday at 4 pm. **Next up is our premiere event Ladies Week with the Ladies Invitational Tournament.**

Many of our member boats are high-level tournament fishing teams that are comprised of CMMTC members. So far, the winners and top ten of the leaderboards of the non CMMTC tournaments have been dominated by CMMTC member boats and we wanted to share the success of our fellow members with all members.
